## Live Jesus

**"It was to a land of dark people he was sent, to clothe them by Baptism in white robes. His grateful dawn dispelled India's painful darkness. It was his mission to espouse India to the One-Begotten" (Ephr. Hymni et Sermones, IV).**

On 3 July 2009 the Province has completed 18 years of its existence. Gratefully we can look back and thank God for the manifold blessings he has showered on us. God has chosen us to do His work and Fr. Mermier wants us to do it by living the spirit and spirituality of St. Francis de Sales in the Mission.

The province which began with 52 priests, two brothers and a few scholastics and candidates in 1991 has grown into a large one with 182 priests, 1 brother, 83 scholastics, 16 novices and over a hundred candidates to date. The first Provincial, Fr. Thomas Cherukat took over the administration of the Province on 3rd July 1991. With all the initial difficulties he with his long vision and undying zeal built it up into a strong and vibrant province

remaining at the helm of affairs of the province for three consecutive terms of three years as provincial. During his tenure many new missions were opened and the existing ones were stabilized. The missions in Philippines and West Central Africa were opened in 1993 and 1999 respectively. On 3rd July, 2000 the baton of animating the province and its administration was handed over to the second provincial Fr. Jose Parappillil. Under his able and dynamic leadership the Province has grown into newer and greater heights day by day. The whole province community was brimming with life, activity and a deep zeal for the mission of the Congregation and the Church. New ventures into which MSFS has not ventured into has been initiated and implemented by him. On this historic occasion we thank God for the gift of these persons and gratefully call to mind the yeomen service they have rendered to our province.

### 1. Mandated for a second term

On 03 July 2006 I took over the administration and looking back I am happy that God has been with us. Fr. Superior General has now appointed me for a second term as the Provincial. I know we have a hard task lying ahead of us and together with all of you, the

great wealth of our province, I am confident of going forward. Our life and activities are built on the spiritual foundation and we make the following of Christ the supreme norm of our religious life. Therefore we need to be deeply rooted in Christ, “cultivating a close friendship with our Lord who has called each one of this to this Congregation of Missionaries” (Const. Art. 15). In this context it may be apt that we recall to mind what our constitution underlines before us as the basic tenets of our religious life.

- We deepen our baptismal consecration through our religious consecration (Art 19) and pledge to live it more fully and offer ourselves to be at the service of God and His people (Art. 45).
- We commit ourselves to announce the Good News to all humans, especially to the poor, the oppressed and the marginalized (Art.20).
- Our entire religious life is to be permeated with an apostolic spirit (Art. 21).
- Through the vows of poverty, chastity and obedience we consecrate our whole life joyfully to the service of God and His Kingdom (Art. 49).
- Our religious consecration is lived and nurtured in a community of fraternal love and brotherhood ... the Eucharist becomes the very centre of our life in the community (Art. 79, 82).
- The meaning of our religious consecration is our life in Christ ... configured to Christ ... we become more attuned to God’s presence and action in our lives.

### 3. Our Silver Jubilarian

Fr. Joseph Kuzhuppil is on his 25<sup>th</sup> year of the Priestly life. He will be completing 25 years of the priestly ordination on 10.01.2010. As he celebrates the Silver Jubilee year of his

ordination let us keep thanking the Lord for the gift of Fr. Joseph to the MSF Congregation and our Province.

Fr. Joseph was born on 10 January 1955 at Athirampuzha, Kottayam/Kerala to Kurian and Mariam Kuzhuppil. After completion of his schooling in Athirampuzha he joined the SFS Seminary Ettumanoor in June 1973. His Novitiate was at Salesianum in 1976 under the guidance of Fr. O. V. Zacharias and he made his first profession on 10 June 1977. He had his philosophical studies in St. Peter's Pontifical Seminary Bangalore. After the Regency in Chintamani Mission he pursued his theological studies in St. John's Regional Seminary Hyderabad. He was ordained Priest on 10 January 1985.

During the 25 years as a priest he has served the province in various capacities. From 1985 to 1986 he was in Roman Catholic Mission Parlakumidi Visakhapatnam and from 1986 to 1987 he was in Mudugula Mission engaged in the pastoral activities. The candidates will have their accommodation in our house and Fr. Jose is working out a program for their spiritual year. The International Pastor, Fr. It is definitely an acknowledgement of his commitment and dedication for the ministry of the Lord. I thank Fr. Jose for his readiness to be at the service to Jesus Youth. As Fr. Jose has rightly remarked “this request is to be seen as a call of the Spirit to us, to open new vistas for our missionary activities especially for the youth.” Our association with the Jesus Youth has inspired a number of our Fathers to deeply commit themselves to Jesus and his cause. ## Glimpses from the Life of the Province

### 1. Christeen Retreat in Charis Bhavan

A Retreat for children between the age of 10 and 15 was conducted by the Charis Bhavan team under the leadership of Fr Kurian Karickal at Charis Bhavan on May 12<sup>th</sup> to 16<sup>th</sup>. Charis Bhavan accommodated its maximum number, about 250 children. It was wonderful experience for children to be together, singing and dancing to the rhythm of the action songs. The classes using multimedia Slide shows, movie bits were very effective and it gave more colour to the retreat. When the three full days of Prayer and fun ended children felt sad to leave Charis Bhavan as it was an enchanting experience for them. The parents were very grateful to Charis Bhavan team for conducting such a wonderful programme for Children.

### 2. Leaving our Boats to Live Jesus

Tejas Vidya Peetha: (02.06.2009) ‘Leaving our boats to live Jesus’ was the sentiment of our Brothers Lalu Jose, Martin, Subin and Anish when they said a whole hearted ‘Yes’ to the Lord forever by making their Perpetual Profession in the Congregation of the Missionaries of St. Francis de Sales on 2 June, 2009. Their whole-hearted commitment was made during a solemn Eucharistic Celebration presided by Rev. Fr. Mathew Kozhuppakalam MSFS, Provincial, South-west India Province in the presence of many confreres from in and around Bangalore and the family members. Fr. Mathew in his homily exhorted the brothers to make their commitment a complete one – a firm ‘yes’. He added that ‘yes’ is a word where there cannot be gradation, either it should be a ‘yes’ or it should be a ‘no’. On this occasion six of our brothers also renewed their vows.

Deacon Sudeep Paul

In the evening the parents interacted with the Provincials Fr Mathew Kozhuppakalam, and Fr Mario D’Souza, in a group gathering.

On 11<sup>th</sup> July the First Profession ceremonies began with the Holy Eucharistic celebration presided by Rev Fr Mathew Kozhuppakalam and con celebrated by Fr. Mario D’souza

and other priests who gathered for the function. 18 of our dear brothers made their first Profession; 13 for the South West and 5 for Pune province and gave their whole self to God. It was an occasion of great joy for them and their parents who witnessed the first step of their commitment. After the mass the newly professed members cut the cake and the community wished and congratulated them. Now we have a new batch of 17 novices. It is their turn to decide, discern and respond. "Here I am Lord, to do your will" (Heb 10:07), because in God, new areas are always opening out ahead if you want to voyage on.

## **Year of Priesthood**

I intend to publish a series of reflective articles which will be written by our confreres on Priesthood during this year of Priesthood. The first of the series is from Fr. Jacob Parappally.

## **A Call to an Effective Priestly Life and Ministry**

“Faithfulness of Christ, Faithfulness of the Priest” is the theme of the Year of Priesthood declared by Pope Benedict the XVI. This is the most appropriate and the most critical time to discover the meaning of priesthood in relation to Christ and his mission. It is the most appropriate time because it comes immediately after the Year of Paul who was so configured to Christ that he could say that it is no longer I that live but Christ lives in me’ (Gal 2:20) and a person who became all things to all to win them all for Christ. Paul is an inspiring model for priests who are configured to Christ in a special way by their vocation and ordination. It is the most critical time to reflect on priesthood because of the unfaithfulness of some of the priests to their state of life is a great scandal corroding the credibility of thousands of other priests who struggle to live an authentic and committed priestly life. This crisis in priesthood is also a God-given opportunity to recapture the authentic meaning of priestly identity and to commit oneself to an effective priestly ministry. The Year of Priesthood may engender such renewal of priesthood.

The New Testament confesses that Jesus Christ is the only priest. The early Church encountered him as the only mediator between God and humans (I Tim. 2:5) fulfilling once and for all the mediating function of priests. The Christian priesthood, both the common priesthood of the people and as ministerial priesthood of those who are called to serve them, is a participation in the priesthood of Christ, who is believed and proclaimed as priest, prophet and king. Therefore, the priests in Christian tradition are not mediators or priests on their own right. The ministerial priesthood makes the mediation of Jesus Christ present in the community in a sacramental way that the community can encounter the living Christ and grow in holiness and wholeness. Thus a transition from a cult-centred priesthood to community-centred priesthood is the core of the NT understanding of priesthood. Therefore, the primary task of the priest is to facilitate the community-building function of Jesus Christ. It is a misconception among people and even among some of the priests that the priests are ordained to celebrate the Eucharist and other sacraments and to officiate various cultic functions. They are ordained to build the community of the faithful through various means. Since ‘the community makes the Eucharist and the Eucharist makes the community’, the celebration of the Eucharist becomes an important means to build up the community. In the past, due to the mystification of the Eucharist, excessive sacerdotalism and clericalism, a cultic, moralizing and policing model of Christian ministerial priesthood, blurred the real image ministerial priest as the servant of the community. An attempt is made in the second Vatican Council is to re-capture the NT understanding of Christian leadership as pastoral

and prophetic. Therefore, a minister in the Church must strive to manifest through his life and ministry the one who “came to serve and not to be served and to give his life as a ransom for many” ( Mk 10:45) and who washed the feet of his disciples (cfr. Jn 13: 4-16). A Priest is a prophet and a facilitator of communion.

The prophetic vocation of a priest is to challenge everything that disfigures human beings who are created in the image of the Triune God, the God of Communion. All systems and ideologies that divide humans in the name of race, religion, gender, class, caste, language, nationality, rites, denominations etc. and everything that created conditions that do not promote communion among people must be prophetically denounced. A minister of Jesus Christ must constantly challenge himself to transcend the human-made barriers and recognize the worth of humans who are called to live in communion with God, other humans In fact, no one should be excluded from his priestly care and concern. Thirdly, as a facilitator communion he needs to promote human beings’ right relation with nature which mirrors the glory of God.

By his Christian vocation and by his charism of ministerial priesthood, a priest cannot but be a mystic. Therefore, a minister of Christ must train his faculties to grow in contemplation. It implies that a priest needs to find time *to be* with the Lord so that he can go out to preach and to heal with *authority* (cfr. Mk 3:13). What can hold together the various activities of a priest and make them effective is only his *being* with the Lord. This would make him to be patient with himself and be patient with others.

A priest is, indeed, a wounded healer as Henri J.M. Nouwen describes a priest. A priest must make his own wounds, his vulnerability, his loneliness, his failures, his experience of rejection, lack of support and encouragement, his fears, his insecurity and so on a source of his healing ministry in reaching out to others who need his presence and care.. Such an awareness of his own situation, instead of leading him to self-pity, makes him more sensitive and compassionate to those who need his attention and healing. Compassion means to suffer with. A priest who can suffer with those who suffer, whatever be the cause of their suffering, brings about a healing which can be understood only by recognizing a priest as the one who has freely committed to be an officially appointed extension of God’s own compassion. Embodying in his own life the compassion of God as Jesus did, makes a priest an authentic minister of reconciliation and forgiveness. In a world of specialists and professionals, in a world everything is structured and organized in terms of profits and usefulness, in a world that the rich and the powerful consider the weak and the poor dispensable a priest must remain as effective sign of God’s compassion for the weak and the poor and all those who seek God’s forgiveness and compassionate love. The challenge of a priest to be an effective witness of genuine humanness, which manifests God’s own glory.

The ideal set before all priests seems to be too high or almost unattainable! To be other Christs or *alter Christus*. But it is possible if we are faithful to Christ. The Year of Priesthood from 19<sup>th</sup> June, 2009 to 19<sup>th</sup> June, 2010, is a call to all priests to review their priestly commitment, re-capture the priestly faithfulness of Jesus and live their priestly vocation in total surrender to the Lord and in self-emptying service to his people.

One Minute with St. Francis De Sales

Virtue and devotion can make you happy in this world. They are beautiful. How gentle is patience in comparison with revenge; gentleness in comparison with anger and irritability; humility in comparison with pride and ambition; generosity in comparison with avarice; charity in comparison with envy; sobriety in comparison with dissipation. The virtues fill the heart with incomparable sweetness and delight when practiced. But vices leave us completely wearied and ill-treated.

Inspiration from our Founder

“I have totally dedicated myself to the work of the missions, to the sublime ministry of Jesus Christ who is the first missionary and the leader in every mission” On 24 Sep. 1838

A Prayer

O love eternal, my soul needs and chooses Thee eternally!  
Ah, come Holy Ghost, and inflame our hearts with Thy love!  
To love -- or to die!  
To die -- and to love!

To die to all other love in order to live in Jesus' love, so that we may not die eternally;  
but that we may live in Thine eternal love, O Saviour of our souls, we eternally sing,

"Live, Jesus!  
Jesus, I love!  
Live, Jesus, whom I love!  
Jesus, I love, Jesus Who lives and reigneth forever and ever.

AMEN
