...The Sky's set out like a pathway

...But who decides which route we take?

...As people drift into a dream world

...I close my eyes as my hands shake

Rev. Fr Wilson Kottam MSFS
1968-2019

My dear Confreres,

There are times we experience the struggle to contain the emotions that are welling up in our hearts. Unexpected events in life make us think again about the vulnerabilities of our life. In human terms we explain, define and express that certain things should not have been the way it happen; all the more so when it is regarding death.

The death of our beloved **Fr Wilson Kottam MSFS** is inexplicable as human definitions would clarify that he is “gone too soon.” As a Confrere who is just my age I certainly feel like saying that he is “gone too soon.” The amusement, the inspiration and the delight that he left behind bring in a vacuum that require long time and space to fill in. All of us are bewildered and shocked. At this painful moment of the demise of our beloved Confrere let us remain united in mutual support and deep faith to accept the plan of God. In a special way let us console and condole the family members of Fr Wilson and remain united with all of them in this painful time.

Fr Wilson apparently enjoyed reasonably good health, although he had a series of health issues in the recent times. I had visited him about one and half months back in his presbytery in Kettering in the Northampton Diocese. Unfortunately we received Yesterday the very shocking news that Fr Wilson was found dead in his bedroom. Fr Terry McGrath the Animator of the English Province wrote to me: “He did not appear for the mass and was found dead by the Parish Secretary. He was fully clothed and the exact time of his death is unknown.” Later Fr Roji Kuttivayalil gave me the following information: “We have just seen his body. He was found dead in the morning. He died in his sleep... Now we are waiting the police to complete the procedures.” We still await further information regarding the rest of the procedures.

Fr Wilson Kottam was born on April 12, 1968 at Ayarkunnam in the diocese of Changanassery to K. F. Devasia and Thresiamma. He completed his primary school education in Govt. L.P.S., Arumanoor, secondary schooling in M.T.S.H.S. Kottayam and higher secondary education (PUC) in K.E. College, Mannanam. After his higher secondary education he joined S.F.S. Seminary Ettumanoor in the year 1985. He completed his novitiate at Salesianum and made his first profession on July 16, 1988. He did his philosophical studies in Suvidya College, Bangalore from 1988 to 1991. He completed his theological studies from St Peter’s Pontifical Institute, Bangalore in 1996. He made his final profession on May 30, 1994. He was ordained a deacon on June 22, 1995 and was ordained a priest on April 11, 1996 at Annunciation Church, Arumanoor.

My dear Confreres, at this painful time of our Congregation and very specially of the members of South West India Province let us remain close to each other. **The death of a Confrere is equally our death. It is like a member of my body is gone numb or paralysed. Let this be a time for you and me to think about at least one good quality of our dear Fr Wilson and emulate that in our own lives. The best way to remember a deceased member is to live his goodness through our lives. Let us allow Fr Wilson to live through our MSFS life-style of love, forgiveness and commitment to the values of the Gospel.**

The details of the transportation of the mortal remains of Fr Wilson to India are yet to be planned. These procedures might take a few days' time. Our Fathers Benny Valiyaveetil, Roji Kuttivayalil and Fr Jose Maliekal along with Fr Terry McGrath are organising it. As I get the information I shall let you know about it. Meanwhile the funeral preparations in India will be animated by Fr Binu Edathumparambil and Fr Vinod Kanat together with Fr George Chirayil and the staff of SFS Seminary Ettumanoor.

Adieu Fr Wilson... we miss you... intercede for us now on...

SALESIAN THOUGHT
