SWIP Circular TK/26

June 2025

My dear Confreres,

Fraternel Greetings to you from Vinayalaya. I am sure that all of you must be working hard to plan, animate, and ease into the work of your respective ministries in this new academic year. May our celebration of the daily Eucharist and the power of the Holy Spirit enable us to be truly effective and transformative in our ministries. I wish all of you all the best.

FORUM MEETINGS

The provincial council which met on 21st June 2025 has fixed our Forum meetings in the months of July and August, as is the practice in our province. Because of the transfers that have come into effect lately, there would be some changes in the membership of the forums. A list of the members of the respective forums is attached below. If anyone has any concerns about their belonging to a particular forum, please let me know. Please remember that participation in these meetings is obligatory and any exception should be sought from the Provincial, and just an information to the Councillor-in-charge is not enough. All the meetings will be held in Vinayalaya.

DIACONATE ORDINATION AT VINAYALAYA

Two of our perpetually professed scholastics **Bro. Anthony Rosario** and **Bro. Albin Kadaparambil** along with **Bro. Thomas Ambrose** of the South-East Province, undergoing their theological formation at Tejas Vidya Peetha, will be ordained Deacons on 26th July 2025, in Vinayalaya. You are all invited to participate in this joyous celebration and bless them with your prayers.

FIRST PROFESSION AND PRIESTLY ORDINATION IN CHAD-CAMEROON

The first batch of our Novitiate, consisting of 11 Novices, will make their first profession in our Novitiate in Ngaoundere on 2nd July 2025. Till this batch, our novices were being sent to East-Africa Province, Tanzania. Please pray for the novices who are going to be formally inducted into our Congregation. A day earlier, eight pre-novices will be entering the novitiate there.

It is also a matter of pure joy that four of our Deacons will be ordained priests in our Chad-Cameroon delegation in the month of July. The priestly ordinations of our Deacons—**Dn. Yibongha David Shinyuy**, **Dn. Nga Modo Engelbert**, and **Dn. Adzaba Evang William Favier Henri**—will be held on the **5th of July 2025** at the Basilica of Mary Queen of Apostles, Mvolyé, Yaoundé. The ordination of **Dn. Nzesseu Chimi Valentin** will take place on the **12th of July 2025** in Douala. While we congratulate them, we also pray for them.

FEW REMINDERS

1. Offering Suffrages for the departed

During my canonical visitation, I noticed to my dismay that some of our confreres are not only neglecting to offer the prescribed suffrages for the departed, but are also not even aware of the obligation to do so. May I quote the relevant articles from our General Directory to this effect.

GD, Art. 98: Suffrages for the Departed Confreres

- i. **We offer one Mass for every departed confrere. [it applies not only to the members of one's own province. A MSFS priest is obliged to offer one mass for a departed MSFS confrere of any province]***
- ii. Besides, the Provincial or a confrere designated by him celebrates a Mass for all departed member of the Province . . . Delegation during the annual retreat.*
- iii. The obituary is to be read in our communities daily*
- iv. Each one is to remember in his prayers the departed confreres and seek their intercession*

Suffrages for Near and Dear Ones:

- i. *When a death occurs in the family of any confrere, his community is to share in his bereavement especially through prayer.*
- ii. *On the death of one's father or mother, or grandfather, grandmother, brother or sister, the concerned priest-confrere offers one Mass in the community. If the confrere is not a priest, his local superior offers one Mass in the community for the repose of the deceased.*

In this context, may I point out something important. **It is at the heart of a religious communion that we share both the joyous and sorrowful moments in the life of each other.** There is a growing tendency in our province to slowly water-down this part of our obligation. **Be it on the occasion of a priestly ordination, or the funeral services of the near and dear ones of our confreres, our participation is increasingly getting limited to the inner circle of close friends.** We need to make a conscious effort to return to the true spirit of our religious communion in this regard.

2. Maintaining Mass Diary

Another important matter that I want to bring to your kind attention is that one of the obligatory practices of being a priest is to maintain mass diary strictly and get it signed by the Provincial during his canonical visitation. I am sorry to say several of our confreres, especially the very young ones, do not either know it as an obligation or consider it important to do so. As a result, I found several of our confreres not having a Mass Diary. I wish that all of us do it with utmost seriousness so that during the next visitation, no exceptions would be found.

3. Participation in the Annual Retreat and other Important Meetings

I have not harped constantly on the constitutional obligations of the confreres in participating in the annual retreat as well as other forum meetings as I expect certain maturity from every confrere to follow such obligations from within and not based on some external compulsions. But I do notice that some have made it a habitual practice not only not to participate in such province events, but do not deem it necessary to seek the necessary permissions. Some seek exception from the province retreat with the promise to do another retreat elsewhere, a promise hardly kept. It is my humble request to all of you to live your religious freedom and maturity in responsibly participating in the events of the province community that brings about true growth in the province.

4. Apostolic Community Meetings

The apostolic communities enjoy a vital place in the religious, spiritual, and community life of our congregation. It is expected that the apostolic communities

meet at least thrice a year, preferably four. Recollection and opportunity for confessions are to be part of such meetings at least twice a year, that is, before Christmas and Easter. While some of our apostolic communities are admirably very vibrant, some of them exist only on paper. Therefore, I request all the apostolic communities to come together soon, before the end of August, elect conveners and secretaries where required, and plan out for the year ahead. The secretaries are to send the minutes of these meetings to the provincial without fail.

VISITATION TO THE CHAD-CAMEROON

I will be leaving for Cameroon on the early hours of June 26, 2025, and will be back on July 7, 2025. Apart from the customary visitation of the members and communities of the Delegation both in Cameroon and Chad, I will also receive the vows of the novices as well as participate in the ordinations on July 5, 2025. Please keep me in your prayers. In my absence, Fr. George Vattappara, the permanent delegate of the provincial (PDP), will be in-charge.
